

## MEMORANDUM

**TO:** BOYD COUNTY EMPLOYEES  
**FROM:** ANGELA MARCUM, PAYROLL DIRECTOR  
**SUBJECT:** eSTUB  
**DATE:** May 4, 2012

Effective May 18, 2012 Boyd County Schools will begin implementation of *eStub*. This program will allow our district to deliver your check advice/pay stub to you via a secure web site, either while using a computer in or out of the district. You will no longer receive “paper” advices, but instead will access current and prior pay information and W-2’s online. If you have changed bank information at any point during the year you will still receive a **check** via mail, but you will also be able to view that check online as well.

Enclosed are the directions on how to access the site, view and print check advices and W-2’s and print current employee information.

If you have trouble accessing the site or getting logged in for the first time, please call one of us at the numbers listed below:

Angie Marcum            928-2651 Ext. 2022

Lora Adams             928-2651 Ext. 2005

**Please familiarize yourself with this system as it will go live May 18, 2012 with NO exceptions!**
